## can beer bong

ultimate head rush can beer bong

**Fits most beer cans with no foam and no hassle!**

**Chug a beer straight from a can! Your friends will be amazed that you can pound a beer in 3 seconds, with no foam and no hassle!**

**How it works: -For best results, place your beer can on a flat surface -Snap can bong right on top of your can -Place finger on carb-hole -Bring cylinder to mouth -Tilt head back, turn can upside down, wait 1 - 2 seconds for cylinder to fill -Remove finger from carb-hole... and it's down in seconds!**

**Built simply to last for years...**
